RJ Hawley,

Thank you for contacting the Montgomery County Department of Health and Human Services regarding guidance for private schools. At this point, Montgomery County does not exactly know if local government will play a role if schools will be able to operate. It will depend on if the Governor and the Maryland Department of Education give power to the local authorities and what the status is regarding case load and potential surge of the virus moving into the fall.

Until we know more, we are advising all facilities, plan to open as normal with modifications and policies in accordance with the CDC guidance.

If I can be of any further assistance, please do not hesitate to contact me directly.

Cordially,
